

# Training the Trainers 2015

## Free courses starting March 2015 for trainers who work with unpaid carers in Scotland

The Training the Trainers programme will be of interest to you if you plan, design, deliver and evaluate training for carers and you wish to develop, refresh or build on existing knowledge, skills and abilities. This training is suitable whether training carers is your primary or secondary role and whether you are new or established in your training role.

### Course topics and themes include:

#### The 'training cycle'

- Identify learning needs
- Define training aims, objectives and outcomes
- Creative design
- Participatory delivery
- Evaluate training
- Assess learning

#### Principles and practices

- Training and facilitation
- Working with groups
- Learning styles and delivery methods including new technologies
- Equality matters
- Assuring quality / training standards

#### And ample opportunities to:

- Collaborate and share
- Contribute, listen and learn
- Reflect on and review learning
- Practice, test-out, trial ideas, methods, concepts
- Make new contacts and connections

The programme will be delivered over 5 days by Tony Stevenson of Changing Mindz (train the trainer delivery) and Carolyn Stenhouse, Avanté Consulting (masterclasses). Please note that you must commit to attend all 5 days of your chosen programme.
